

Margin Trading Funding Terms and Conditions.

Introduction:

MTF is a facility offered to an Investor in buying of shares and securities from the available resources by allowing the investor to pay a percentage / portion of the total transaction value called Initial Margin. The margin can be given in the form of Cash or Shares/Securities as collateral depending upon the availability with the Investor. In this case, the Broker will do the Funding for the remaining amount.

1. The Leveraged position can be carryforward up to 365 days.
2. The Initial Margin amount can be only in the form of Cash.
3. Only POA/DDPI Clients are eligible to get the MTF facility.

Collection of Margin:

The initial margin payable by the client to ABFSPL shall be in the form of cash, cash equivalent or Group I equity shares, with appropriate haircut. Such Margin can be changed from time to time as may be decided by the Management of ABFSPL. Such Margin prescribed by ABFSPL may be higher than the quantum prescribed by regulatory provisions. The client shall pay applicable initial margins or such other margins as are considered necessary by the stock broker or as may be directed by SEBI / Exchange(s) from time to time as applicable to Margin Trading segment in which the client trades.

Setting of Exposure:

Trading is allowed only against available margin in client's MTF account. For this purpose, margin should be available at the time of entering trade in the cash segment of NSE in the form of credit balance either cash or pledged securities value in the MTF segment of the client's trading account.

Exposure for Approved Securities Buying under Product MTF:

The facility will be applicable only for approved securities. List of approved securities details are updated in our website www.aliceblueonline.com download page naming "Approved Securities List".

At the time of order placing, always select the product code as "MTF" and place orders using the exe or mobile application provided for trading. Approved Securities List will be reviewed on monthly basis and the changes can be taken place with addition / removal of stocks.

Share Unpledge/transfer from MTF funding account to client Beneficiary/Normal Margin

Pledge:

If the Client has funded/Clear the Debit in MTF Ledger and have to make separate request by sending mail to askus/cet@aliceblueindia.com to transfer/unpledge the shares from their MTF Funding account. Further, if there is debit in normal ledger, excess margin amount available in the MTF margin account, the same will be adjusted with the debit in the normal ledger automatically.

Interest Charges for MTF:

Interest will be levied @ 18% p.a. for MTF Funded value after adjusting the Cash Margin available in the client's MTF margin ledger. In case, if the client provided securities through pledge as noncash component towards margin, the same will not be considered towards interest calculation and interest will be charged for entire funded value. Interest Charges will be calculated on a daily running balance and debited to the client ledger by end of the month. While calculating interest, the credit lying in Normal Ledger will not be considered and hence, please make the fund transfer request as explained above. Increasing the interest rates will be done by the company with the prior intimation notice to the clients.

Liquidation of the position under MTF:

If the client is not made good the Mark to Market (M2M) losses or margin short fall within 2 working days from the date of margin call, position will be squared off to the extent of the M2M losses or margin call with the discretion of the stockbroker.

If the securities are moved out of approved securities list by Alice blue and or Group 1 securities list provided by exchange / SEBI, client is expected to clear the debit and take delivery to his demat account immediately. Otherwise, position will be squared off by Aliceblue without further any intimation.

In case if the client is not fulfilled the Mark to Market (M2M) losses and or Margin shortfall and the same reaches 80 % and the client is not made on the Mark to Market losses and or margin shortfall, MTF Funded stock will be squared off immediately. Even after the square off the funded stock, there is shortfall in margin or debit in the trading account, collateral securities pledged towards margin also will be squared off and set off the losses occurred on the trading account of the client.

If the securities are purchased in the market and the said securities are not received from the exchange or due to internal matching and the auction / Closed Out rates are provided by the exchange or as per policy.

If the securities are purchased in the market and the said securities are not received from the exchange or due to internal matching and the auction / Closed Out rates are provided by the exchange or as per policy, then the said MTF position will be liquidated and the necessary credits are passed on the client account.
